

BED-IN-A-BOX

Compressed Finished Mattress Solutions

Leggett & Platt[®]

BeddingComponents-Intl.com

Leggett & Platt is a leading value-added service provider in bed-in-a-box (BiB) supply – producing compressed, finished innerspring mattresses for this market segment.

- **Customised Solutions** – Bed-in-a-box solutions will be manufactured in accordance to our customers' final specifications and labelled with their brand name.
- **Availability** – BiB mattresses are available to customers where a strategic benefit to both parties exists.
- **Stress-Relieved Wire** – Holds its shape and provides a durable, consistent sleep surface.
- **Quality Steel** – Leggett & Platt produces its own wire to ensure quality-controlled steel in every spring.
- **Packable and Shippable** – Compressed, folded, rolled, and available from our facility on an ex-works basis or drop-shipped to the location of the customer's choosing.
