

Calico Classic® pocketed innersprings are wrapped in cotton calico that's top-and-bottom sewn, nested, and then tied, making it a traditional innerspring selection of the very finest quality.

- **Premium Quality** – Produced with the finest materials available and the master craftsmanship of Leggett & Platt.
- **Time-Honoured** – Traditional hand-assembly techniques first introduced in the late 19th century.
- **Traditional Approach** – Create a compelling comfort story based on the value and tradition of Calico Classic®.
- **Reassuring Performance** – Pocket innersprings isolate motion transfer to reduce partner disturbance and eliminate roll-together.
- **Quality Steel** – Leggett & Platt draws its own wire to ensure quality-controlled steel in every spring.
